**Please tell others about  
the event.  
We appreciate your help.**

*The Navigators* have over 40 staff in the Lansing, Ann Arbor and Detroit metro areas who minister as missionaries in our increasingly secular American culture, stimulating people in their thinking about God, helping them come to faith in Christ, discipling and mentoring new believers, and training others to live as fruitful disciples of Christ in their daily spheres of influence. They develop life-centered relational ministries of evangelism and discipleship in workplaces, neighborhoods and communities, and on college campuses.
